

## Sports Registration & Payment 2017

Sport at Bishop Viard College is co-ordinated through the PE Department and in order to ensure that we can resource this, we ask that registration is undertaken for all sports at the beginning of the year. We appreciate that a student's situation or interests may change, resulting in a new enrolment or even reimbursement. If this happens, the situation can easily be accommodated by contacting the Sports Co-ordinator

Over the page you will find all the sports available during your time at Bishop Viard College. Some require payment while others do not. Please identify those which, at this stage, the student is interested in participating in by ticking the box. Each sport also identifies in which term(s) the season runs which will allow a decision to be made on whether a commitment can be made.

Some sports require further information in order to organise trials or make team selections, should this be the case you will be contacted by email once the registration process is complete.

Volunteers Needed – If you can help with coaching a team or even managing. We also take those who only want to be officials or even just assisting with transport. If you fit the profile, then please contact the Sport Co-ordinator. Volunteers/helpers are the foundation and back bone to a strong sporting programme within a College. Without volunteers/helpers our students wouldn't be able to take the field or courts.

Please indicate below and your name and sport and your details will be forwarded to the appropriate person or you can contact the college direct.
